Improving our WOODY handle

Reference : 930110

The **WOODY WOODEN HANDLE** is made from **pure pine**, crafted from a **single homogeneous piece of wood** measuring **125 cm**, offering **exceptional strength**.

To further enhance its durability, *including at the screw thread*, this part is now directly machined into the wood. The cap remains unchanged and features the iconic red color, a symbol of quality.

The **WOODY WOODEN HANDLE** withstands **high pressure** without bending and resists temperature and humidity variations.
